Welcome to Hunter Valley Resort + Farm

Thank you for choosing to stay with us. It genuinely means a lot.

Our family has been welcoming guests for four generations, and now we're the last family owned and operated hotel in Wine Country.

Two generations of the Helé family live right here onsite, and have done for more than 35 years, working alongside our team every single day.

This isn't just a business to us. It's our home, and we love sharing it with you.

Your safety and comfort, and that of our team, always comes first. Beyond that, our only goal is for you to have an unforgettable time with us.

Inside this compendium you'll find everything you need to make the most of your stay, from the activities and experiences we offer onsite to the little details that make life here easier.

Need anything at all, day or night? Just dial extension 298.
We're always here.

Want to stay in the loop and get first access to our best offers? Register at https://huntervalley.com.au

And if you have a moment, we'd love to hear how we're doing. Please fill out the "Pillowtalk" card in your room. Your feedback genuinely helps us get better.
